

# PDT™

## Transport Kit

Pneumatic • Hydraulic • Gasoline  
Professional Grade Tools

## Storage Display and Transport **ALL IN ONE KIT**

For your PD-55, PD-110 or PD-140  
driver & accessories

Self contained units include the following items:

(PDT-55 Unit Shown)

- PD-55 Post Driver
- Chuck Adapters as Shown Below
- 20.5 ft Air Hose
- Throttle Valve
- Filter-Regulator-Lubricator
- Extra Washers & Bolts
- Extra Safety Clips
- 1 qt Non-detergent Oil
- Operating & Safety Instructions

### **Great choice for rental**

The PDT comes with containers for storing oil and the pneumatic driver manual, keeping everything needed for the unit in one place.

### **Make your own kit**

Options for configurations without a post driver (Transport only), or with a MP-3 Post Puller (Total Solution) are available. See back for more details.
