

Municipal Sign Kit

Sign post installation accessories for the Rhino® Multi-Pro or XA Gas Post Driver

Pneumatic • Hydraulic • Gasoline
Professional Grade Tools

Ideal for Public Works, Transportation Departments and Landscape Maintenance Professionals

Kit contains everything needed to drive the most commonly used road sign post types, such as U-Channel and Square Tube Break Away Anchor systems, adapting your Rhino Multi-Pro XA Post Driver (driver not included) to expedite all your sign post driving requirements.

Sign Kit converts the Multi-Pro or XA to drive:

1-3/4" O.D., 12 ga. Square Tube

2" O.D., 12 ga. Square Tube

2-1/4" O.D., 12 ga. Square Tube

2-1/2" O.D., 12 ga. Square Tube

Silt Fence or Snow Fence

1.2 to 4 lbs./ft. Channel Post

Municipal Sign Kit
