

Drive Master

Mini Skid Steer Post/Stake Driver Attachment Part No. 361150

Pneumatic • Hydraulic • Gasoline
Professional Grade Tools

Portable Power and Productivity

The Rhino® Drive Master™ Mini Skid Steer Attachment drives post or stake, with more control, and less damage.

- **Controlled Impact:** Powerful Toku TNB-1M Hydraulic Hammer, delivers 150 ft/lbs of impact. Includes 3 Year Warranty.
- **Adjustable Mast:** Tilts 7° out from the operator, 15° towards the operator to adjust, and plumb the post.
- **Compact Versatility:** Attaches to most mini skid models.
- **Efficient Post Driving:** Install steel and wood, round post up to 4" O.D.
- **Attach from either side:** Allows for driving fence where only one side of property is accessible.
- **USA Made:** Reliable service, shorter lead times, superior support, and safe, durable, high-quality materials.
